

Child Induction Questionnaire

Name Year Group Class Date

I was made to feel welcome in school					I did not feel welcome in school
When they showed me around they explained carefully					It was not a good explanation
People were kind to me					People were not kind to me
My buddy was helpful					My buddy was unhelpful
In class there was always someone I could ask for help					Nobody helped me at all
I settled in quickly					I was still unhappy after a month
The rules were simple to understand					I couldn't understand the rules
Everything was ready for me when I started, eg my desk, my buddy, my books					Nothing was ready
I joined in easily in the playground after the first few days					I felt left out in the playground
Someone showed me how dinner times and playtime worked					I was left to find out by myself
The interview gave me an idea about the school					I had not idea about the school from the interview

If you could change one thing about this school, what would it be?
Is there anything you are worried about?
What do you like best so far?

Thank you for filling in this questionnaire, it will help us with new children.
