

What happened? (Results)

A large rectangular box with rounded corners, designed to look like a scroll. It has a grey circular tab at the top left and another at the bottom left. The text "What happened? (Results)" is written inside the top part of the box.

What did I find out? (Conclusion)

A large, jagged starburst shape with a key icon at the bottom right. The text "What did I find out? (Conclusion)" is written inside the top part of the starburst.
