

Parent Volunteer / Local Community Activity Grants

The main purpose of the grants is to encourage more parents to volunteer within schools or local community centres.

Conditions of the grant:

- that the grant will be used to encourage new parents to volunteer for the activity that is to be funded
- that the person identified to lead the project is happy to work with Families in Partnership to encourage the parents to stay involved with the school/community or adult learning activities
- that the person identified to lead will provide any information Sage requires to show that the grant has been used for the purposes it was awarded
- the grant CANNOT be paid into an individual bank account.
- the grant CAN be paid into a school account or a constituted group who agree to account for the funding
- if the funding cannot be paid into an account it can remain with Sage who can order goods and make payments etc on behalf of the parents
- information will be required telling us what the grant was used for, the names and contact details of parents who volunteered, how many volunteer hours were worked etc, have parents got involved in other activities, have they continued to volunteer at the school/community centre?
